The background of the cover is a classical painting depicting a pastoral scene. In the foreground, a large black cow stands on the left, looking towards the right. In front of it, a brown and white cow lies down. To the right, another brown cow is lying down. In the background, two figures, likely shepherds, are visible; one is standing and holding a staff, and the other is sitting. The sky is filled with dramatic, dark clouds, and a few birds are flying in the distance. The overall tone is somber and historical.
